PROFILE

Problem-solving computer scientist with strong organizational and teamwork skills. Developed key hardware and software troubleshooting, AWS cloud, and customer care skills in a professional environment as a data technician, sales associate, and restaurant server.

SKILLS

Organizational Skills	AWS Cloud
Attention to Detail	Hardware Troubleshooting
Effective Time Management	Linux and Powershell
Teamwork and Communication	UI/UX, Git, GitHub

EXPERIENCE

Sep 2020 — Present

AWS Cloud Site

- Developed; designed, and deployed S3 static portfolio, resume, and business websites written in HTML with respective CSS and Java-Script using an Agile methodology
- Utilized AWS S3 to store and deploy required website files, CloudFront to facilitate HTTPS security requirements, and Route53 for a custom domain name.
- To monitor the health and usage of the sites AWS CloudWatch and Budgets are used
- Source code uploaded through Git repositories and maintained in GitHub where respective code can be found

Nov 2020 — Dec 2020

Data Technician, CoreStaff Services   Haymarket

- Swapped; diagnosed, and resolved computer hardware components on EC2, EBS, and S3 hosts
- Served as a friendly, hardworking, and punctual employee
- Organized and prioritized work to complete assignments in a timely, efficient manner

Jun 2018 — Jan 2019

Resturant Server, Mariachis TequliaRia & Resturant   Manassas

- Worked diligently to serve customers' food, drinks, and familiarizing customers with the menu and daily specials.
- Participated in special events that required a different set of skills then my normal job duties

Sep 2015 — Aug 2017

Sales Associate, PetValu   Manassas

- Assisted customers in finding something loving, fun, and nutritional for their pets
- Worked well independently and on a team to solve problems and brought forth excellent time management and multitasking skills
- My hard work; achievements, and willingness to learn was rewarded through more task opportunities, salary increase, and various store location involvement

---
